Thanks to government investment of more than £2 billion since 2010, the **Post Office** now has:

Detach along the line

Dear resident

Our local Post Office in Wallasey Village has been ‘temporarily’ closed. This is causing inconvenience to many residents in our community.

There has been massive investment in local Post Offices over the last eight years and they now offer more services than ever.

The closure programme of the previous Government has also been stopped.

That’s why our campaign needs your help. We need this Post Office re-opened quickly.

Please support our petition. We’ll then send it to the Chief Executive of the Post Office, to demonstrate how important it is to our community.

Yours sincerely

Councillor Paul Hayes

P.S. You can post the card back to us, take part online or hand it to us on our Action Day.

-  a stable network of around 11,600 branches, including Grove Road!
-  modernised more than 7,500 branches with new technology
-  protected more than 3,000 ‘last shop in the village’ community branches
-  extended opening hours on weekdays and at weekends
-  become the UK’s largest Sunday retailer with more than 4,400 branches open
-  ensured 93% of people now live within one mile of their nearest branch.

“We have contacted Post Office HQ and they have been unable to tell us when Grove Road branch will re-open.”

“We need to persuade them to have it re-opened quickly. With your support, our petition will show how important this Post Office is to our community.”

- Cllr. Paul Hayes
