

SEVEN DAYS TO STOP A 'MILITANT' COUNCIL

WITH THOUSANDS OF POSTAL VOTES
ALREADY RETURNED, TIME IS RUNNING
OUT TO STOP WIRRAL ENDING UP WITH A
MILITANT-STYLE COUNCIL NEXT WEEK:

Since last year's council elections, seven moderate, traditional Labour Councillors have resigned from the Party or quit the Council altogether.

The increasingly hard left Labour Group of Councillors has a majority of just two seats in the Town Hall.

A hard left Council will scare away investors leading to job losses and higher Council Tax for everyone.

No matter how you usually vote, this time it's different: Use your vote to stop a Militant-style takeover of Wirral Council that leads to job losses and Council Tax rises for everyone.

LABOUR 'ACCEPTS' BUILDING 6,000 HOUSES ON WIRRAL GREEN BELT!

A report from a secret meeting of the Town Hall's ruling Labour Cabinet and Senior Directors has been leaked. It reveals how, on 12 November 2018, they 'accepted' building 6,000 houses on the Borough's Green Belt.

Labour Councillors agreed that the report was only going to be made public AFTER next week's Council elections.

Sites that have been 'accepted' by Labour Councillors include:

- 1,705 houses on Green Belt at Pensby and Barnston
- 1,140 houses on Green Belt around Clatterbridge and Raby
- 974 houses on Green Belt around Saughall Massie and Moreton
- 311 houses on Green Belt land east of Rigby Drive, Greasby
- 265 houses south of Peter Prices Lane, Bebington
