

Hello «Name»

Following the delay in lifting of restrictions, we have been asked to circulate the link to the latest advice and guidance for residents, businesses and community groups:

There are two new funds which may be of interest to «Organisation»:

1. The National Lottery has £2 million available to help groups that are tackling loneliness:

2. The Tree Council can provide up to 100% grants for volunteer Tree Wardens and community groups to plant new hedgerows, hedgerow trees and gap up existing hedgerows in winter 2021/22. Planting can be in rural or urban areas on private or public land where the community will benefit:

If your group needs any help and you think Lesley, Paul and I can help, please let us know.

Best wishes
